

When you are considering the Napa Valley as a destination, please put Meadowood top on your list for a **client event, strategic planning session or senior management meeting**. Meadowood is the ideal location to be productive yet enjoy life.

Meadowood is the only resort in the Napa Valley with the Mobil 4 Star designation! Plus: AAA Four Diamond, in the top 15 US resorts by readers of *Conde Nast Traveler*, 2005, among the top 20 US Resort Hotels by *Andrew Harper's Hideaway Report*, 2005, and included as one of "The World's Best" by *Travel + Leisure*, 2005.

Located in the heart of the Napa Valley, the resort is nestled on 250 wooded acres and offers 99 guest rooms and suites. Meadowood features a 9-hole executive golf course, 4 professional croquet lawns, 7 outdoor tennis courts, 2 swimming pools, an outdoor whirlpool, a complete spa and fitness center, quiet hiking trails, The Restaurant at Meadowood and The Grill for casual dining.

Among the favorite organized group activities are **croquet matches** led by Meadowood's resident croquet professional and **wine tastings** orchestrated by Meadowood's staff. Free time may be spent enjoying the estate's many amenities or exploring Napa Valley's prestigious wineries, galleries, towns and restaurants.

Meadowood's accommodations are truly deluxe. All rooms also have decks or terraces overlooking wooded areas, the golf course or croquet lawns. As an added feature, most rooms have wood burning fireplaces.

Glens and gardens adjoin all of Meadowood's meeting rooms. Equally appealing is the fact that all of our meeting rooms are bordered by windows on at least two sides, bringing the beauty of the natural surroundings indoors.

We look forward to earning your business and creating a most memorable program for your guests.
